Overview

The following are the terms of an agreement between you and HFG. By accessing, or using this Web site, you acknowledge that you have read, understand, and agree to be bound by these terms and to comply with all applicable laws and regulations, including export and re-export control laws and regulations. If you do not agree to these terms, please do not use this Web site.

HFG may, without notice to you, at any time, revise these Terms of Use and any other information contained in this Web site. HFG may also make improvements or changes in the products, services, or programs described in this site at any time without notice.

General

This Web site contains proprietary notices and copyright information, the terms of which must be observed and followed.

HFG grants you a non-exclusive, non-transferable, limited permission to access and display the Web pages within this site as a customer or potential customer of HFG provided you comply with these Terms of Use, and all copyright, trademark, and other proprietary notices remain intact. You may only use a crawler to crawl this Web site as permitted by this Web site's protocol, and HFG may block any crawlers in its sole discretion. The use authorized under this agreement is non-commercial in nature (e.g., you may not sell the content you access on or through this Web site.) All other use of this site is prohibited.

Except for the limited permission in the preceding paragraph, HFG does not grant you any express or implied rights or licenses under any patents, trademarks, copyrights, or other proprietary or intellectual property rights. You may not mirror any of the content from this site on another Web site or in any other media. Any software and other materials that are made available for downloading, access, or other use from this site with their own license terms will be governed by such terms, conditions, and notices. Your failure to comply with such terms or any of the terms on this site will result in automatic termination of any rights granted to you, without prior notice, and you must immediately destroy all copies of downloaded materials in your possession, custody or control.

Confidential information

HFG does not want to receive confidential or proprietary information from you through our Web site. Please note that any information or material sent to HFG will be deemed

NOT to be confidential. By sending HFG any information or material, you grant HFG an unrestricted, irrevocable license to copy, reproduce, publish, upload, post, transmit, distribute, publicly display, perform, modify, create derivative works from, and otherwise freely use, those materials or information. You also agree that HFG is free to use any ideas, concepts, know-how, or techniques that you send us for any purpose. However, we will not release your name or otherwise publicize the fact that you submitted materials or other information to us unless: (a) we obtain your permission to use your name; or (b) we first notify you that the materials or other information you submit to a particular part of this site will be published or otherwise used with your name on it; or (c) we are required to do so by law. Personally-identifiable information that you submit to HFG for the purpose of receiving products or services will be handled in accordance with our privacy policies. Please see the tab entitled "Privacy" for information regarding HFG's privacy policies.

Global availability

Information HFG publishes on the Internet may contain references or cross references to HFG products, programs and services that are not announced or available in your region. Such references do not imply that HFG intends to announce or make available such products, programs, or services in your region. Please consult your local HFG business contact for information regarding the products, programs, and services that may be available to you.

Business relationships

This Web site may provide links or references to non-HFG Web sites and resources. HFG makes no representations, warranties, or other commitments or endorsements whatsoever about any non-HFG Web sites or third-party resources that may be referenced, accessible from, or linked to any HFG site. In addition, HFG is not a party to or responsible for any transactions you may enter into with third parties, even if you learn of such parties (or use a link to such parties) from an HFG site. When you access a non-HFG Web site, even one that may contain the HFG-logo, please understand that it is independent from HFG, and that HFG does not control the content on that Web site. It is up to you to take precautions to protect yourself from viruses, worms, Trojan horses, and other potentially destructive programs, and to protect your information.
